Hi Nate,

It looks like I was left off the submittal for this amendment request. Can you please send me the amendment package?

Thanks,
Melissa

Subject: Petersen Ranch MB

Dear IRT,

I hope all is well.

I believe the sponsor has informed all of you about the proposal for introduction efforts for San Fernando spineflower a federal and state listed species onto Area F of the Petersen Ranch Mitigation Bank. Jan, this is on the Elizabeth Lake side, so will not effect any of the Lahontan Board Credits but I am including you as part of the IRT.

Attached to this email is a proposed Amendment to the BEI to accommodate the introduction efforts. All areas subject to the amendment have been deducted from crediting. I have also attached track changes documents showing the changes to the reports. A hard copy of this amendment is being sent to you Warren along with a Bank Submittal Form and a check for the Minor Amendment Review Fee. If any of the other IRT members would like a hard copy, please let me know and I will mail one to you.

The agreement for introduction of Spineflower is intended to be recorded upon approval of this amendment by the IRT and has within it a target recordation date of April. I hope this is a reasonable approval period, but please let me know if there are any concerns about that timing.

Please reach out to me with any questions or comments, and to schedule an IRT meeting (if needed).

Thank you,

Nate
